We at DAC Patient Recruitment Services have partnered with Remedy Health Media to bring you the most sophisticated patient recruitment & retention tactics:

### **Online**

Access 30 million unique monthly visitors - this is not your standard, static, outdated database

### **Mobile**

Send appointment, medication, or vital reminders via SMS, email, or voice messaging

### **Physician & Pharmacy**

Reach patients in their doctor's office and at the pharmacy

## **DAC + Remedy Health Media brings you:**

- ***Guaranteed referrals***
- Custom-built study websites integrated with HealthCentral.com, the leading online health community
- Hyper-targeted advertising through digital and print media with access to over 575,000 physician waiting rooms
- Direct outreach to patients with personalized messages from their doctor
- Strategic site selection and management
- 20+ years of patient recruitment and retention project management experience
